

AMENDMENT 1 TO MASTER LEASE AGREEMENT ID: 883

Executed June 30, 2025 • Effective July 1, 2025

Original Agreement	Master Lease Agreement ID 883, dated January 1, 2025
Lessor	TechLease Solutions Inc.
Lessee	Manufacturer Inc. (Manufacturing Division)
Equipment	1x Enterprise Server Rack System, Model SR-9900X, Serial SR9900X-2211-4471
Date of Execution	June 30, 2025
Amendment Effective Date	July 1, 2025

This Amendment 1 (“Amendment”) modifies the Master Lease Agreement ID 883 (“Original Agreement”) dated January 1, 2025, between TechLease Solutions Inc. (“Lessor”) and Manufacturer Inc. (“Lessee”).

WHEREAS, Lessee requires extended use of the Enterprise Server Rack System and wishes to eventually retain ownership of said equipment; and

WHEREAS, Lessor is willing to extend the term and grant the purchase option set out below on the terms stated herein;

NOW THEREFORE, IT IS MUTUALLY AGREED AS FOLLOWS:

1. EXTENSION OF TERM

1.1. Section 2.1 of the Original Agreement is hereby deleted and replaced with the following:

“The term of this lease is for seventy-two (72) months, commencing on January 1, 2025, and terminating on December 31, 2030.”

1.2. The extended term is non-cancellable by the Lessee. Section 2.2 of the Original Agreement is unchanged: the monthly rental fee remains \$1,000.00, payable on the 1st of each calendar month through the end of the extended term.

2. BARGAIN PURCHASE OPTION

2.1. Section 3.3 of the Original Agreement is hereby struck in its entirety. The following clause is added as Section 3.4:

“3.4. Bargain Purchase Option. Upon the expiration of the 72-month lease term, Lessee shall have the exclusive right and option to purchase the equipment for a nominal fee of \$1.00. Upon payment of this fee, title and ownership will transfer fully to the Lessee.”

2.2. The option granted under Section 3.4 is exercisable by the Lessee at its sole discretion and may not be withdrawn, repriced or conditioned by the Lessor.

3. AGREED VALUE OF THE EQUIPMENT

3.1. The parties commissioned a re-appraisal of the Equipment in connection with this Amendment. The parties agree and acknowledge that the fair value of the Equipment as of the Amendment Effective Date is \$60,000.00.

3.2. No rate of interest is stated or implied in the Original Agreement or in this Amendment, and the Lessor has not disclosed and is under no obligation to disclose the rate implicit in the lease. The parties acknowledge that the consideration under this Amendment has been negotiated on a whole-of-term basis and that no portion of the monthly rental is designated as interest.

4. CHARACTERIZATION

4.1. The characterization of the Original Agreement in Section 3.1 thereof is retained for commercial and administrative reference only. It is not, and shall not be construed as, a determination of either party's accounting or tax treatment of this arrangement. Each party shall determine its own accounting classification and tax treatment of the arrangement, as amended, under the standards and authorities applicable to it.

4.2. Nothing in this Amendment shall be construed as advice by one party to the other with respect to accounting, tax or regulatory matters.

5. ALL OTHER TERMS

5.1. Except as expressly modified herein, all other terms and conditions of the Original Agreement shall remain in full force and effect.

5.2. This Amendment is not a novation and does not constitute a separate contract. It takes effect on the Amendment Effective Date of July 1, 2025 stated above, notwithstanding its earlier date of execution, and applies to the Original Agreement from that date forward.

5.3. This Amendment may be executed in counterparts, each of which is an original and all of which together constitute one instrument.

IN WITNESS WHEREOF, the parties have executed this Amendment on the Date of Execution set out above, to take effect on the Amendment Effective Date of July 1, 2025.
